

Electric Vehicle Brochure

Who Are We?

- QORAY Mobility is focused on enriching lives by stimulating, and accelerating Africa's adoption of cleaner, safer, and more sustainable transportation for the prosperity of people and planet.
- QORAY has deployed over 1,000 electric 3-wheelers and charging infrastructure and executed sale contracts for over 10,000 more.
- We have also upskilled over 50 technicians to enable them assemble, maintain and repair the tricycles and charging/swap stations.
- QORAY is financing-backed by Sterling Bank and The Alternative Bank.

Electric 3-wheeler – Teak
No of Passengers – 6 + 1 Driver
Max Distance – 120km
Max Speed – 40km/h

Swap Station Cabinet
Capacity: 12 slots

Tricycle Battery
Battery Capacity – 6kWh

Our Products

Electric 2-wheeler – Falcon
No of Passengers – 1 Driver
Max Distance – 100km
Max Speed – 85km/h

Our Products

Electric 3-wheeler – Beluga
No of Passengers – 3 + 1 Driver
Max Distance – 60km
Max Speed – 30km/h

Electric 4-wheeler – Javan
No of Passengers – 4 + 1 Driver
Max Distance – 220km
Max Speed – 101km/h

Our Products

Electric 4-wheeler – Caspian
No of Passengers – 4 + 1 Driver
Max Distance – 401km
Max Speed – 101km/h

Electric 4-wheeler – Sill
No of Passengers – 4 + 1 Driver
Max Distance – 520km
Max Speed – 185km/h

Our Products

Electric 4-wheeler – Panther
No of Passengers – 4 + 1 Driver
Max Distance – 580km
Max Speed – 190km/h

Electric 4-wheeler – Sable
No of Passengers – 4 + 1 Driver
Max Distance – 480km
Max Speed – 150km/h

Our Products

Electric 4-wheeler – Savannah
No of Passengers – 4 + 1 Driver
Max Distance – 460km
Max Speed – 180km/h

Our Products

Electric 4-wheeler – Bear
No of Passengers – 14 + 1 Driver
Max Distance – 320km
Max Speed – 100km/h

Electric 4-wheeler – Oak
No of Passengers – 28 + 1 Driver
Max Distance – 160km
Max Speed – 100km/h
